

Job Title: Website & Graphics Designer (1 position)

Duty Station: Mbarara

Job brief: We are looking for a talented Web Designer to create amazing user experiences. The ideal candidate should have an eye for clean and artful web design. They should also have superior user interface design skills.

The successful candidate will be able to translate high-level requirements into interaction flows and artifacts. They will be able to transform them into beautiful, intuitive, and functional designs.

Responsibilities

- Execute all visual design stages from concept to final hand-off to engineering
- Conceptualize original website design ideas that bring simplicity and user friendliness to complex roadblocks
- Create wireframes, storyboards, user flows, process flows and site maps to communicate interaction and design ideas
- Present and defend designs and key deliverables to peers and executive level stakeholders
- Establish and promote design guidelines, best practices and standards
- Should be able to carry on training and supervision of geeks.

Requirements and skills

- Proven work experience as a Website Designer
- Demonstrable Graphic Designing skills with a strong portfolio
- Solid experience in creating wireframes, storyboards, user flows, process flows and site maps
- Proficiency in Photoshop, Illustrator or other visual design and wire-framing tools
- Proficiency in HTML, CSS and JavaScript for rapid prototyping
- Experience working in an Agile/Scrum development process
- Excellent visual design skills with sensitivity to user-system interaction
- Ability to solve problems creatively and effectively
- Up-to-date with the latest Web trends, techniques and technologies
- BS/MS in Human-Computer Interaction, Interaction Design or a Visual Arts subject

Academic Qualifications

The Ideal candidate should be in possession of a Bachelors/Diploma in Information Technology, Computer Science, Computer Engineering or related course.

Knowledge of software development is a big added advantage.

The candidate should have minimum of 2 years website designing **proven** experience.
